"The parent who sends his son out into the world uneducated, defrauds the community of a useful citizen, and bequeaths a nuisance."—James Kent.

"If we work upon marble, it will perish; if on brass, time will efface it; if we rear temples they will crumble into dust, but if we work upon immortal minds, and imbue them with principles, with the just fear of God and love of our fellow-men, we engrave on these tablets something that will brighten all eternity."—Daniel Webster.

History

The Barbourville Baptist Institute was founded by the Cumberland River Baptist Church. The first sessions were held in the church house but later the public school building was rented for the use of the school. The institute was so well patronized from the beginning that the trustees determined to give it a permanent house so in 1902 a small brick building was erected on the present campus. The school labored under many discouragements but finally the Home Mission Board of South-

BARBOURVILLE PUBLIC SCHOOL

The Public Schools of the country come nearer being the highest expression of democracy than any other institution. Here, in friendship and good-will one toward another, meet the sons and daughters of citizens of different occupations, some rich, some poor. The democracy of learning knows no favorites and the sons and daughters of the rich learn that whatever else money may buy, there is no royal road to learning, but that only by brains and application is the pupil judged.

From these public schools have gone out many of those who have helped in the building of the United States of America of today, a country of which every citizen is patriotically proud.

It is a recognized fact that the state which has the best schools turns out the highest class of citizenship and that such a state in turn becomes a leader in civic advancement.

Due to a long period of virtual isolation and other causes, the State of Kentucky does not rank with the other states in the matter of education, but there has sprung up in the minds of Kentuckians the desire to lift their beloved state to a higher plane, and since divine discontent is the mother of action, it will be but a few years before this will be done.

In Barbourville we are making rapid advancement. We have an excellent staff this year, a modern heating system has been installed and the school board is one that will assuredly do its best by the young citizenship.

Parents may help greatly by seeing to it that the children are punctual and that they give the teachers their moral support in the matter of discipline, to the end that the children may get the best possible out of their school life.

Every parent who has children to deal with in the home knows that discipline is necessary and desirable and if this is true of the home, it is equally true in the schools. It is also indisputable that the child who is inclined to spurn discipline in the schools and who is not reprovved at home will feel a license to do just as he pleases and thus, in time, what might have been a fine character is turned into one that becomes a menace to society and even to the reputation of his own family.

Support the faculty loyally and such support will return to you fourfold.

BARBOURVILLE BUSINESS SCHOOL

Affiliated with the Barbourville Baptist Institute

This school has been established for the purpose of training young men and women who aspire for the higher positions in life. Since the organization of this school scores of students have gone out in the world and are making good in business offices.

This course is under the supervision and instruction of Clarence E. Bunnell. Mr. Bunnell is a member of the Expert Accounting Department of Draughon's Practical Business College. He is also a member of The Draughon Consulting Accountants' Association of Nashville and St. Louis, carrying with it the degree of Bachelor of Accounts. He has had many years experience in teaching this famous Draughon Course in Bookkeeping and Shorthand and has many students over this and the adjoining states who are making good in business life. Many young men and women have been helped to success thru his efforts. He is also a practical bookkeeper and accountant, having had charge of the books for some of the largest corporations in the United States. He has studied the needs of business men along these lines and gives special and practical work in opening and closing, declaring profits, rendering statements for corporations, joint stock companies, partnerships and wholesale concerns.

A hardworking student who has made up his mind to master bookkeeping, shorthand and typewriting for the purpose of making good in life need go no further than the Barbourville Business School. Students graduating are allowed one high school unit for the course in Stenography and one high school unit for the course in Bookkeeping.

UNION COLLEGE

Feeling the lack of proper educational facilities for their sons and daughters, citizens of Barbourville in the year 1880 formed a joint stock company and in this way Union College had its origin. To Mr. James T. Gibson belongs much of the credit for starting the school which has developed into the present fine institution. Not only did he give the use of a school room, but he went down into his pocket and made a trip to Louisville where he interested those who sold him goods in the Mountain school.

In 1886 the property was sold to the Kentucky Conference of the Methodist Episcopal Church.

Union College has been fortunate in its presidents beginning with Rev. Daniel Stevenson, D. D., followed by Rev. James Faulkner, A. M., Rev. James W. Eastley, B. D., A. M., Judge James D. Black, later governor of Kentucky, Percy L. Ports, Rev. E. R. Overley. On June 30th, 1915, Rev. Ezra T. Franklin was elected president. Under his wise and energetic handling of the affairs of the college it has gone steadily forward as a great moral and educational force in the mountains.

From Union College have gone forth a number of men and women who have added lustre to the name of Knox County, Kentucky, but best of all, it has helped hundreds of young men and women to know and practice Christian principles in the different walks of life unto which it has pleased Providence to call them. The management of Union College has kept steadily in view the theory that the best citizen is he who, intelligent and well educated, is also a leader in the moral and religious uplift of his community. That this is a sane view will be readily admitted by all. "Seek ye first the Kingdom of God and His righteousness" has been the ideal of Union College, which has borne fruit over the length and breadth of the land.

Campus

The campus comprises ten acres of tree shaded lawn on which stand the handsome buildings of Union College. The athletic field lies at the back of the campus.

Buildings

The Administration Building has three stories, is steam heated and contains all modern equipment. It is scientifically ventilated and its fourteen class rooms have everything necessary for teaching and study work. It contains also the chemical, physical and biological laboratories and the library. In the basement, occupying almost the entire floor, are the dining room, kitchen and bakery.

Fanny Speed Hall is the home of the young women students. It is a three story building of unique design, with spacious halls and the rooms are neatly furnished. The building is supplied with modern sanitary equipment. Stevenson Hall is a brick structure of colonial design, three stories high. Each room will accommodate two young men students. The students have access to hot and cold shower baths.

A heat, light and power plant, under the supervision of Mr. Gus Hauser, makes for individual comfort for the student body, as well as for increased efficiency.

The Gymnasium, erected as a memorial to the Soldiers and Sailors of the World War, is probably the best gymnasium in the state. In the basement is a fine swimming pool where students are taught the art of swimming and life saving.

The Library is ample for the needs of the students and contains books of all descriptions which are suitable for a Christian college.

Ezra T. Franklin
President Union College

Government is in the hands of the student body to a large extent, the honor system being found to work satisfactorily.

In other respects Union College is similar to those American colleges which have as their ideal the fundamental practices of the Christian religion.

Athletics have a large place in the life of the college and its athletic director, W. B. Trosper, has produced teams that have brought the downfall of teams from the larger universities in a manner that has made Union known far and wide as not only a good college of sports, but also as winning good sports.

Gus Hauser, who is in charge of the light, heat and power plant, is a mechanical genius with his hands. He can do anything from installing a new boiler to the manufacture of a cotter pin.

Mrs. Mae Wallace, the genius of the culinary department, will again be in charge this year. This will be pleasing to old and new students as "Aunt Mae" holds a firm grip on the love of all, not only on account of the excellence of her cuisine, but also for the affectionate care she is always ready to bestow on the young people.

SINGING CONVENTION
AT CALLAHAN

The Knox County Singing Con-
vention at Callahan was of real in-
terest to all who attended—approx-
imately between 1500 and 2000 peo-
ple. Some four hundred partici-
pated in the singing which was well
rendered by all classes that took a
part. There was a \$5.00 prize for
the best choir, won by Mt. Ararat.
This was presented by Attorney Il-
ram Owens, of Barbourville. A num-
ber of good talks were enjoyed. The
following is the program:

Address of Welcome, by McKinley
Parrott, Talks by Prof. Barter Bled-
soe, of Clay County; W. W. Evans,
Supt. Knox County Schools; Rev.
W. N. Epperson and James D. Black
Ex-Gov. of Kentucky.

It was moved and carried to have
the convention at the Christian
Church at Rockhold, September of
1923. Ed Lyons was made manager.

The co-operation of the people of
the county is asked to increase the
interest in music and to raise the
standard.

AMIS-TYE

The marriage of K. L. Tye and
Miss Myra Amis was consummated
at the Booneway Inn, Middlesboro,
Friday, September 8th, at 4 o'clock.
Rev. Sam P. Martin, of the Baptist
church, performing the ceremony
which made the young couple man
and wife. Witnesses at the cere-
mony were Miss Gladys Johnson and
J. J. Tye, brother of the groom.

The wedding supper was served
at the Booneway Inn, Mr. and Mrs.
Tye staying in Middlesboro for their
honeymoon.

The bride is the charming daugh-
ter of Mr. and Mrs. W. F. Amis and
has taught music in the public
schools and privately being a thoro
musician.

The groom is a native son of
Knox county and served his country
as lieutenant during the war. He is
now engaged in the banking busi-
ness at Wallis Creek.

Their many friends will wish them
the very best that life affords as
they journey along the pathway of
love.

CORBIN FAIR A BIG SUCCESS

The Tri-County Fair at Corbin
was a big success and the manage-
ment is delighted with the showing
made this its first year. The attend-
ance exceeded all expectations and
the many who went over from Bar-
bourville had nice things to say con-
cerning the Fair.

The event of greatest interest for
Barbourville was the showing made
by the horses from the Old Hickory
Stables, these splendid animals just
sweeping all before them in the way
of prizes in their class. Altogether
there were over 100 horses on the
grounds from this and other states.

The children's school fair, which
was held on the first day, was a big
success and in this department lies
much good for the counties con-
cerned in the fair and its well-being.
As we suggested in the case of our
own fair, we believe the fair manage-
ment will do well to get slio com-
panies interested to the extent of
demonstrating these money makers,
necessary if dairying may come into
its own.

The Minton horses won as follows:
\$100 Sweepstake; 5-gaited saddle
stallion, mare or gelding; any age;
ten entries: Sara Kathleen, first,
owned by R. B. Minton, Barbour-
ville. Doty up, Flashing Glory,
second, owned by Nola Minton Viall,
Barbourville. Mrs. Viall up, Ven-
detta, third, 2-year-old, owned by
T. W. Minton, Barbourville. Frank
Teeters, Crab Orchard, fourth, with
chestnut mare.

\$100 Fancy harness class: won by
Flashing Glory.

The 2-year-old 5-gaited class was
won by The Feudist, over his rival,
Vendetta, both of Minton stables.

The 3-gaited class for mare or
gelding, any age, was won by Sada
San, a new mare of this type from
the Minton stables.

The \$800 Championship Stake,
for best 5-gaited saddle stallion,
mare or gelding, any age, was shown
Friday night before a packed grand
stand, this being the first night
horse show ever held in the moun-
tains of Eastern Kentucky. There
were nine entries, and to be eligible
every horse had to have a first or
second ribbon to its credit. The fair
officials are to be congratulated on
their handling of this show. The
horses were called to the gate by the
beautiful, clear tones of the bugle
ringing out thru the mountain moon
light night. Then to the martial
strains of the "Star Spangled Ban-
ner." Dr. I. D. Wigginton, secretary
of the association, led the triumphal
march. The prancing horses seemed
to enter into the spirit of the occa-
sion as they passed before the cheer-
ing thousands. Every horse made
a magnificent show but the individ-
ual show was made by the only lady
rider in the ring, Mrs. Nola Minton
Viall, on her mare, Flashing Glory.

Sara Kathleen, of the Minton
stables, with Doty up, won first.

Flashing Glory, ridden by Mrs.
Viall, won second.

Vendetta, 2-year-old, of the Min-
ton Stables, Coates up, won third.

The Feudist, 2-year-old, of the
Minton Stables, Nicholson up, won
fourth.

The Ladies Riding Class followed
the stake and Mrs. Viall won first,
Miss Apple, of Corbin, second.

These Primary boys and girls never missed a word in spelling during
a period of three months. They were under the teaching of Mrs. C. E.
Bunnell. Mrs. Bunnell is a graduate of the Vine Grove High School
and has been a teacher of small children all her life. The state affords
no better Primary teacher. This is evidenced by the large enrollment
in her room. She has been here for two years and has proved her
ability as is witnessed to by many, many parents who will have no
other teacher than Mrs. Bunnell for their children.

PROHIBITION ENFORCEMENT REALIZED IN KNOX COUNTY

Since the appointment of W. H.
Green, one of our citizens, the peo-
ple of Knox County are realizing that
there is a reality in the prohibition
law. He is enforcing the law re-
gardless of friends or favors and the
remote parts of the county where it
was almost impossible to hold Sun-
day School or church a short time
ago are now as quiet as can be.

This statement was made by the
Directors of the Knox County Fair
Association and by hundreds of our
citizens who attended the Fair which
has just closed:

"We have had a Fair here every
year for thirty years and the one
just closed was the quietest and
most orderly, with less disturbance
from liquor drinking than any fair
in the history of the organization.
We saw only one man drunk and one
man with liquor and in less than
thirty minutes after they made their
appearance they were in the hands
of the prohibition agent, W. H.
Green, who immediately took them
before the circuit court and had
them under bond or in jail. We wish
to extend our thanks to Mr. Green
and to the men working with him
for the efficient work which they did
at the fair. It shows what good of-
ficers can do in the enforcement of
the law."

We feel that with such officers in
the service of the Government, and
with such men elected sheriffs of
the county and working in harmony
with them as our own Sheriff James
Carnes, that moonshiners and boot-
leggers will be a thing of the past.

Let us lend our hearty co-opera-
tion to these men and, as good citi-
zens, do all in our power to help
them for without our assistance they
are handicapped in the great work
which they are engaged in.

Any citizen of the county who
knows of a moonshine still, or of
bootlegging going on can get a
swift remedy by notifying W. H.
Green, Prohibition Agent, or J. M.
Carnes, Knox County Sheriff, Bar-
bourville, Ky.

CHILD HYGIENE WORK IN KNOX COUNTY

Mrs. Inez M. Roche, of the Bureau
of Child Hygiene, State Board of
Health, Louisville, was here Friday
on business connected with the wel-
fare of mothers and babies. Mrs.
Roche goes from county to county
and puts on child welfare clinics, the
object of which is to inform
mothers-to-be how to care for them-
selves before the birth of their child
as well as the care of the children
after they are born. It is melan-
choly fact that of the nineteen lead-
ing countries of the world which
take an interest in mother and child
welfare the United States ranks
next to Chile which is at the bottom
of the list.

Thru the Sheppard-Townley bill
the Federal government is now able
to appropriate funds for doing away
with this condition and Mrs. Roche
is one of the number who, under the
guidance of the various State Boards
of Health, are doing their best to
save the lives of mothers and child-
ren.

Miss Edna Reinstedler, county
health nurse, is also co-operating as
are the local medical men which, as
Mrs. Roche says, is particularly high
class.

"Well! Strong!"

Mrs. Anna Clover, of R. F. D. 5, Winfield, Kans., says: "I began to suffer some months ago with womanly troubles, and I was afraid I was going to get in bed. Each month I suffered with my head, back and sides—a weak, aching, nervous feeling. I began to try medicines as I knew I was getting worse. I did not seem to find the right remedy until someone told me of

CARDUI

The Woman's Tonic

I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."

If you have been experimenting on yourself with all kinds of different remedies, better get back to good, old, reliable Cardui, the medicine for women, about which you have always heard, which has helped many thousands of others, and which should help you, too. Ask your neighbor about it; she has probably used it.

INCIDENT FIRE

Fire broke out at the home of E. N. Matthews Friday evening about 7 o'clock. Mr. and Mrs. Matthews were at the Holman home on Allison Avenue when the alarm was turned in by Mrs. Owens. The response of the fire boys was very prompt but before they arrived Lieut. J. D. McDonald and O. B. Berkley, of the Jordan Planting Mill had extinguished the flames with buckets of water. The only explanation of the fire is mice and matches as there had been no fire in the stove since noon.

FIVE O'CLOCK TEA

Mrs. F. D. Sampson was hostess on Tuesday afternoon at her pretty home on the mountain side to about thirty guests in honor of Mrs. Lewis D. Sampson, of New York. Miss Mae Carter and Mrs. W. H. Buck gave highly appreciated piano solos. Refreshments were served by the three daughters of the house, Mrs. Pauline Sampson Gerrish, of Florida, Miss Emelyn Sampson and Miss Helen Sampson.

MILLER

Edith Sonora Miller, the 9 months old daughter of Mr. and Mrs. Larkin C. Miller, Jr., died at the family home Sunday. The funeral was held Tuesday. Rev. John O. Gross, of the Methodist Church officiating. The sympathy of a wide circle of friends is with the bereaved parents.

"The Warm-Air Furnace that Looks Like a Phonograph"

WE cannot attempt to tell in this space the whole wonderful story of Estate Heatrola. So we present merely the bare facts, and urge you to come in and see the Heatrola at your first opportunity.

You have always wanted furnace heat. But perhaps your home has no basement, or if it has a basement, you have not wanted to go to the

trouble and expense of installing a basement furnace. Here, then, is the solution—a warm-air furnace that sets in one of the living rooms and circulates great volumes of warm, moist air through the house. A furnace that you will be proud to have in your parlor, because it is not only a wonderful heating plant but also a beautiful piece of mahogany furniture.

Common Sense About Eczema and Eruptions!

Here's Something About S. S. S.
That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it. When the cause of skin troubles and eruptions is in the blood, it isn't common sense to simply treat the skin. A bottle of S. S. S. will prove to you what is happening in your blood. S. S. S. is a scientific blood cleanser—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your lips turn naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a prosperous, ruddy, well-fed, refined gentleman, or if you are a woman, your complexion becomes the real kind that the whole world so admires. S. S. S. is also a powerful body-builder, because it builds new and more blood cells. That's why it fills out sunken cheeks, bony necks, thin limbs, helps regain lost flesh. It costs little to have this happen to you. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

COUNTY SCHOOL NEWS

On last week Goodman Creek school, with a census of 30, had 23 present on day of visitation. John Hall is the teacher and has five 7th and 8th grade students. John says they are going to attend the School Fair.

John Sears, who is teaching at the Lay School, was on the job with 54 splendid girls and boys. A good number of John's students were taking an examination. The others were equally busy in the preparation of their lessons. There are 73 in the census in this district. Tho about twelve miles from town Mr. Sears says that it takes Poplar Creek to make a good School Fair and they are coming.

Callahan, with a census of 73 had 56 present. W. R. Parrott, teacher. He has not lacked for employment and from the evening program given by his students harmony and hard work have thus far prevailed at Callahan. There are six students in the 7th grade.

At McClellan where T. J. Jarvis is teaching all were very lively for not only were the patrons of Parrott's school there but William Martin, teacher at Pleasant Ridge, was also there with his student body making in all more than one hundred present for the spelling match. Victory seemed to be in favor of the home team.

New Bethel school has a census of 70, with W. A. Humfleet teacher. 50 students were present. Jerome Helton is the only one in 7th grade and from the statement of the teacher there is a splendid future for Jerome if he will continue to "stick." Humfleet and students say they will see us at the School Fair.

Mrs. O. L. Mink is Matron of Brown Hall for Girls and will see that the tables are furnished with a good supply of wholesome foods for she is desirous that all students get plenty. She will also teach Domestic Science.

It is useless to say she gives no instruction to her efficient and much respected cook, Aunt Jane Nolen, who is not to be equalled anywhere. We are more than proud to have Aunt Jane back with us after a year's absence, for "Aunt Jane in the kitchen" is enough said for those who expect good meals at B. B. I.

Miss Emma Johnson will have charge of the Music Department which includes Piano, Voice, Violin. She studied these in Owensboro College and has taught them successfully for six years. She is a graduate of Louisville Conservatory of Music, having studied Piano and Voice there.

Professor Isham Lee Wilson, A.B. is from Carson and Newman College, Jefferson City, Tenn. He is a native of East Tennessee. He has spent two years in the Southern Baptist Theological Seminary and hopes to complete his Th. B. degree in summer school. He comes to us with successful experience. Mr.

Wilson will be manager of the boys hall and head of the Departments of Latin and Mathematics. He is one who worked his way thru college and is in a position to sympathize with the youth struggling for an education. We are fortunate in getting the services of such a man. He also holds a post graduate diploma of the Convention Normal Course.

Mrs. Isham Lee Wilson, Bachelor of Missionary Training from the Baptist Woman's Missionary Union Training School, has worked successfully under the State Board in Illinois as a S. S. and B. Y. P. U. field worker. She is a teacher of several years experience and holds a First Grade certificate from Illinois. Mrs. Wilson will teach 4th 5th and 6th grades. She too has the Post Graduate Diploma in the Sunday School Normal Course.

The Price of Beautiful Rooms

The only price you need to pay for beautiful rooms is the extremely low price of Richardson Wall Board. And when we talk Richardson Wall Board to you, we talk only three things:

Utility! There is an almost unlimited variety of uses for it—as a permanent finish for any room in the home; for converting attics or other wasted space into useful rooms; for finishing garages or barns; for summer cottages or camps.

RICHARDSON
Wall Board

Quality! Richardson Wall Board is made by The Richardson Company, with the reputation of over 50 years' manufacturing experience behind it. This assures the best of materials as well as skilled workmanship. The government has recognized the quality of this product by using millions of feet of it.

Price! Richardson Wall Board is as low in price as any good wall board on the market. Richardson methods, plus quantity production, make that possible.

Let us quote you prices.

CLARK

William O. Clark died at the home of his son, Archie Clark, Barboursville September 8th. Deceased was 77 years of age and served in the Union Army in the Civil War, participating in the battles of Bull Run, Gettysburg and many other important engagements. He was born and reared in Michigan until the Civil War and soon after the war he came to Knox County and engaged in the lumbering industry.

Mr. Clark leaves four sons and one daughter who are among the best citizens of Knox County. There are also several grand children and a host of friends to mourn their grievous loss. Interment was in the Hinkle Cemetery on Stinking Creek with Rev. R. S. Smith, of Barboursville, conducting the funeral service.

MEMORY OF CHARLES G. DRAKE
HONORED BY FELLOWWORKERS

The death of Charles G. Drake (colored) occurred September 1st at Pineville, Ky. He was buried in the Hawn graveyard down the river on Sunday, Sept. 3rd, the hearse from Pineville bringing the remains. A father, Tom Grace, a mother, Mrs. Mollie Goins and two sisters survived. The following letter will express the esteem in which deceased was held.

Detroit, Mich. Sept. 7, 1922
Mrs. Mollie Goins,
Barboursville, Ky.
Dear Madam:

The Post Office Clerks of Detroit Michigan, learning of the death of your beloved son and our fellow employee, feel it their duty to pay some tribute of respect for the high esteem in which he was held by them. Realizing the perishable nature of flowers and considering the expense his long illness incurred, we thought the enclosed check would be more beneficial. The amount itself, we feel, is insignificant compared to the loss of one who was such a dependable cog in our daily routine of work.

We do not wish to re-open the wound caused by his untimely demise. To have been the mother of a noble son who served his country in war and peace is a satisfaction that even the pangs of the Black Camel cannot disturb.

He joined our forces at the termination of the late war and was known as a dutiful, trustworthy and all round good fellow. We mourn his loss and beg of you to accept our profound sympathy in your bereavement. We earnestly pray that earth's loss is heaven's gain.

Yours,
Postoffice Clerks of Detroit,
James E. Ellis,
Acct. Sec. of Rel.
